Get involved and make a difference!

***Join your neighbors in making Riverbend Estates a community we ALL love to call home.
We need your support, We need your membership , We need your participation***

Riverbend Estates Neighborhood Association, Inc. (RENA) works for the betterment of the Riverbend Estates community by (1) distributing information to all residents, (2) providing a forum to discuss issues affecting the community, (3) acting as a collective voice for its members, (4) maintaining a close working relationship with local authorities to keep our community safe, (5) encouraging high property standards to maintain property values, and (6) planning and executing activities that build neighborhood unity and pride.

Annual membership is \$25 per household. RENA meets at the Fort Foote Recreation Center at 7:00 P.M. on the third Monday of designated months. Signs will be posted as a reminder. Your membership will help support a well-maintained, safe, and convenient living environment for all Riverbend Estate residents .

Why Get Involved? *Make new friends... Share your voice and ideas to improve the community... Help plan fun events... Stay informed about neighborhood issues... Help distribute flyers.... Assist with event setups... Join a committee or project*
